As a public policy data analyst, Aakanksha has an in-depth understanding of issues concerning child welfare, food insecurity, and economically vulnerable families. She has been the featured speaker at national social work conferences on these topics. For the past five years, Aakanksha has been employed as a research assistant at Boston College. She is skilled in strategic planning, program evaluation, and community asset mapping. Aakanksha also is the co-author of several academic articles, including “Examining Food Security among Children in the Supplemental Nutrition Assistance Program Households: Implications for Human Rights.”

Aakanksha’s community involvement spans both North America and Asia. She has assisted the United Nations Commission on the Status of Women and Foster Care India and has also been active with the Boston Food Bank and Hope International.

ESCC Experience

As a new member, Aakanksha currently is enrolled in ESCC’s core training courses.

We strengthen nonprofits to reach bold community goals.
