Dave is a management specialist, with his entire career having been spent with the United States District Court as Court Unit Executive with oversight and management of the probation department. He now consults with the court on a part-time basis. Dave's areas of expertise include service delivery, program/policy development, budget oversight, HR management, and management of automation services.

Dave volunteers with the Mt. Healthy Alliance, a collaborative nonprofit of area churches which provide outreach services in the Mt. Healthy community.

ESCC Experience

Dave has completed ESCC's courses in coaching for change, strategic thinking, and project management, and has worked on strategic planning projects for the Cincinnati Center for Autism and Dohn Community High School.

We strengthen nonprofits to reach bold community goals.
