Most recently a trainer and technical consultant with Thomson West, Doug previously worked as a program specialist with NASA in Washington, D.C. Both positions relied on his legal, regulatory, and business expertise.

ESCC Experience

As an ESCC volunteer, Doug facilitated a board retreat for the Dayton Christian Center. Impressed by his skill set, he was invited to serve on its board following the conclusion of the project. Other ESCC projects include assignments with Wesley Community Services and St. Vincent de Paul. Doug is a trainer for ESCC and was instrumental in developing the curriculum for a workshop on research interviewing techniques.
