

## Irv Simon

Volunteer Consultant

**Joined ESCC:** 2011

### ESCC

10945 Reed Hartman Highway, Suite 108  
Cincinnati, OH. 45242  
Phone: 513.791.6230

### Professional History

- Human Genome Project, University of Cincinnati
- Procter & Gamble

### Education

- M.S., Chemical Engineering, Massachusetts Institute of Technology
- M.S., Food Science, Massachusetts Institute of Technology
- B.S. Chemical Engineering, Massachusetts Institute of Technology

Irv is a chemical engineer with an emphasis in food science. His areas of expertise include new product development, business management, grant writing, and research administration. Irv spent most of his career as Vice-President, Research and Development with Procter & Gamble. Prior to retirement, he served as the Administrative Director, Human Genome Project, University of Cincinnati, where, as part of his responsibilities, he liaised with both nonprofit and for profit biotech and health care organizations.

Irv's volunteer interests revolve around conservation. He is a member of the Audubon Society of Ohio, Raptor, Inc., Ohio Business Roundtable, and Biostart.

### ESCC Experience

Irv has completed ESCC's training courses in board development, strategic planning, and coaching for change. He also has participated in ESCC's Business Plan Performance Excellence project.

**We strengthen nonprofits to reach bold community goals.**
