Professional History

- Grote Consultants, Inc.
- Procter & Gamble

Education

- B.S., Chemical Engineering, University of Notre Dame

Mark's expertise lies in research and development, training, and organizational development. He spent nearly thirty years with Procter & Gamble as Director of Research and Development.

Mark is currently a member on three nonprofit boards- Chatfield College, where he chairs the Planning Committee; ArtWorks, where he chairs the HR/Planning Committee; and the Art Academy of Cincinnati, where he serves as Chairman. In addition, he was a board member for the Cincinnati Area Education Board, Archdiocese of Cincinnati from 2000-2006.

ESCC Experience

Mark has completed ESCC's training in project management, strategic thinking, board development, and coaching. He currently serves on ESCC's Board of Trustees. Mark has been the project manager and team member on strategic planning, business development, organizational development, and coaching projects, including Hamilton County Park District, Art Academy of Cincinnati, American Heritage Girls, STEM Collaboration of Cincinnati, The Jewish Foundation, St. Vincent de Paul, Taft Elementary School, and College of Mt. St. Joseph.

We strengthen nonprofits to reach bold community goals.
