Professional History

- Cincinnati Fan and Ventilator Company
- Consultant
- Cincinnati Milacron

Education

- M.B.A., Harvard University
- B.S., Mechanical Engineering, University of Cincinnati

Dan is a former business owner and business improvement specialist. He started his career with Cincinnati Milacron and became manager of one its divisions. While at the company, he increased substantially increased sales and moved the division into a profitable position. He proceeded to set up his own consulting enterprise, guiding small companies through technology and human resources issues. When an opportunity presented itself, he purchased Cincinnati Fan and Ventilator Company, where he served as Chairman, President and Treasurer. During his tenure, he was able to increase sales six-fold and presided over a major expansion of staff.

Dan strongly believes in giving back to the community. In 1994, he set up the Daniel and Susan Pfau Family Foundation, which focuses on the needs of disabled and disadvantaged students. Dan is a former board member and president of Springer School. He was a founding member and trustee of Lighthouse Youth Services Board and currently serves on the board of the Freestore/Foodbank.

ESCC Experience

Dan completed ESCC's workshop in essentials of nonprofit organization and how to be an effective facilitator.

We strengthen nonprofits to reach bold community goals.
