Professional History

- Sunny Delight International
- Procter & Gamble

Education

- B.S., Business Administration and Management, Indiana University

Professional Association

- Network of Professional Women

Lisa has more than twenty years of experience in the consumer goods industry. Her experience spans operations, new product initiatives, and information technology. Lisa also has experience in larger and smaller companies. She is currently the operations leader at Sunny Delight and has responsibility for managing projects to enable bottom-line improvements, planning, and customer service and logistics. Previously, Lisa led information technology projects at Procter & Gamble. Lisa's areas of expertise include leading cross functional teams, operations, value stream mapping, project planning management, and 1:1 coaching.

Lisa is passionate about empowering women, career coaching, physical fitness, and improving health outcomes. She is a former troop leader for the Girl Scouts of Western Ohio and a former coach for Girls on the Run. She also volunteers with Matthew: 25 Ministries.

ESCC Experience

As a new member, Lisa currently is enrolled in ESCC's core training courses.

We strengthen nonprofits to reach bold community goals.
