- M.S., Education, University of Cincinnati
- B.S., Education, University of Cincinnati

### Certification

- Six Sigma Black Belt
- Health Information Technology Implementation Manager

### Professional Associations

- Project Management Institute, Southwestern Chapter
- American Society for Quality

Charmaine's background is in nonprofit senior leadership, fund development and quality assurance. She currently is Executive Director of Autism Society Greater Cincinnati.

Charmaine has received honors and awards in her field and achieved agency or program accreditation in all leadership positions. Charmaine began her career as a special education teacher and built and directed one of the first inclusive early childhood programs in both Ohio and Kentucky. In addition, Charmaine has provided technical assistance, training and consultation services to nonprofits in the Cincinnati area.

### ESCC Experience

Charmaine completed ESCC's courses in strategic planning, coaching for change, and board development. She now serves as one of ESCC's trainers. Charmaine's project assignments include board development, strategic planning and marketing/branding. She also has been an EXCEL coach.

**We strengthen nonprofits to reach bold community goals.**
